'Opt-In' for Text Messaging

In order to participate in this new service you must indicate your willingness to receive text messages to your phone. The process is simple and only takes a few seconds to complete.

Simply text any one of the following words to the number 67587: subscribe, optin, yes

You'll know you were successful if you receive the following reply message:

You are registered to receive aprox 3 msgs/mo. Txt STOP to quit, HELP for help.

You'll want to repeat the opt-in process for all wireless numbers that you wish to include.

In addition to performing the opt-in process above you'll want to insure that the school has your wireless number(s) in our student information database. If you haven't already provided that information to your school please contact them and provide them with that information.

If you are having difficulty creating your parent account, please contact your school directly.
