I would like to wish you all a restful, peaceful, relaxing summer holiday. It has been a pleasure serving you this school year and I look forward to supporting your needs in the fall. Happy Summer!

Lynn

Honesty

This month's virtue is honesty. **Honesty** is being sincere, open, trustworthy in all we say and do. Honesty is a mark of a disciple of Jesus, who is the way, the TRUTH and the life.

D0040-Trustworthiness: The Security of Knowing-Trust is the foundation of all healthy relationships, and many consider it the foundation upon which good character is built. In this program, teens discuss elements of trustworthiness such as honesty, reliability, dependability, loyalty, and integrity. The program also addresses the consequences of violating trust, and how difficult it can be to regain. 016 Min. I, S 2004

D0317 ENCOURAGING MORAL DEVELOPMENT IN CHILDREN

What is morality? What is moral behavior and how does it develop in children and teenagers? What do children and adolescents think morality is and how does that thinking affect their personal behavior? All these questions are explored by teens themselves as well as by experts in the field. Grades 6 to 12

V3704H FROM RUDE TO RESPECTFUL

Chronicles the positive efforts of a North Carolina school to emphasize character, and one family whose members developed a personal mission statement about how they want to treat each other. The concepts of honesty, responsibility, respect, compassion, and self-discipline are emphasized. The program concludes with Michelle, who becomes an honor student after responding to efforts to turn her life around.

V3488 TRUSTWORTHINESS

Groark and Muggsy learn how important honesty and trust are in building good friendships. When Muggsy tries to impress Groark by stealing an expensive birthday present for him, Groark struggles to figure out the right thing to do, and teaches Muggsy that it is better to have friends you can trust than expensive toys. Program 1 of a 6 part series. Guide included.

New French Resources

These DVD's can be watched in English and in French

D0467 Franklin and the Computer: Franklin's interest in swimming, soccer and cycling is put on hold when he focuses all of his attention on winning a computer game. With one game level left to conquer, Franklin must decide if playing on the computer is more important than being with his friends.

Includes 4 additional Franklin episodes:

- Franklin's Masterpiece
- Big Brother Franklin
- Franklin and the Copycat
- Franklin's Expedition

Includes English and French language tracks.

P, J, I DVD 60 Min.

D0466 The Berenstain Bears Count Their Blessings: Brother and Sister often complain that their friends have more things than they do. Mama and Papa tell them they should be thankful for all the things they do have. When a big thunderstorm rages outside and the power goes out, the cubs are reminded of how fortunate they are to have loving parents and a cozy home to live in. It's a good time to Count Their Blessings!

Includes 4 additional stories:

- Think of Those in Need
- The Big Blooper
- Too Much Vacation
- New Neighbours

Includes English & French language tracks.

P, J, I DVD 60 Min.

D0465 The Magic School Bus: Human Body

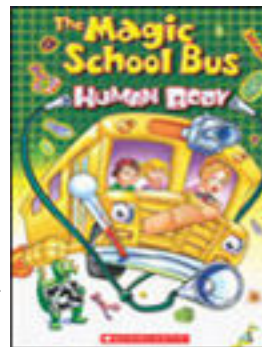

This DVD includes THREE Magic School Bus episodes:

- For Lunch
- Inside Ralphie
- Flexes Its Muscles

The Magic School Bus is often a roller-coaster ride through our insides and anybody could be the next field trip!

Ms. Frizzle leads the class on an action-packed journey through Arnold's digestive system, a pulsating excursion through Ralphie's bloodstream and an exciting exploration through the Ralphie Robot to learn about bones, joints and muscles. Their valiant vehicle can go anywhere and be anything, so each field trip is an awesome adventure.

The DVD includes English, French & Spanish language tracks.

Ce DVD inclut TROIS épisodes :

- Tous à table (For Lunch)
- Le malade extraordinaire (Inside Ralphie)
- Docteur Rafistein (Flexes It's Muscles)

Dans "Tous à table", Arnold sera, à son insu, le sujet d'une expédition du bus dans son propre système digestif. Dans "Le malade extraordinaire", Arnold est victime d'un malaise alors qu'il doit animer une émission de télévision sur la santé. Et puis dans " Docteur Rafistain ", les enfants découvrent comment les muscles et les articulations fonctionnent alors qu'ils construisent un robot.

New Series: The Best of Dragons' Den

D0459 DRAGONS'DEN: BEST OF SEASON 1 VOLUME 1

Episode 1 – Series Premiere

The Dragons make their debut, as hopeful entrepreneurs pitch a portable, multi-use exercise device using rubber bands; an exercise “banana” that helps women tighten their pelvic muscles; electronic gift cards; Omega-3 salad dressing; napping centres for overtired executives; and a tidal-powered turbine to generate electricity.

Episode 6

Ideas pitched in this episode include glass that can be bent without heat; Canadian salsa; a line of products that protect against electromagnetic frequencies; a light box that animates pictures when you walk past them; caskets and urns for pets; a farm-themed amusement park; a museum dedicated to insects; and mobile Halloween-themed trailers.

Business, Economics, Marketing, Entrepreneurial Studies

D0460 DRAGONS'DEN: BEST OF SEASON 1 VOLUME 2

Episode 2

High-stakes venture capital continues with competitors pitching an optical store for women only; cards with symbols that help people optimize performance and moods; a device that helps computers save electricity; binoculars for fog and sandstorms; and a blanket that keeps bathwater hot and a portable hand sanitizer.

Episode 4

Eager entrepreneurs looking for investors pitch business ideas that include a movie-theatre food container with pockets; “sung to” water with special healing properties; chocolate truffles; a “log” pool toy for kids; retail stores that sell plus-sized women’s lingerie; mini-uniforms that cater to petite health care workers; and a table top game that combines hockey and soccer.

D0461 DRAGONS' DEN: BEST OF SEASON 2 VOLUME 1

Episode 1 – Season Premiere

The Dragons consider Master Moves, an abdominal muscle core training system; a technology news website that superimposes advertising onto bikinis; a sports trivia business; a plastic case to protect bananas; and a collapsible heavy-duty bag.

Episode 2

Tempers flare in the Den when the Dragons take down a young entrepreneur with big dreams and a bad idea. Competitors this time are 3D Fan-Ware, Forever Chelsey, Heartland International English School, Island Sports Entertainment, Vent Kit, Peer FX, Sincerity Inc., Urban Inukshuk, Reality Chek and Transpor Dry Layer.

D0462 DRAGONS' DEN: BEST OF SEASON 2 VOLUME 2

Episode 4

Will the Dragons get sucked into a deal with a horse vacuum manufacturer? Or will they go stylish and invest in baby punk clothing? Watch pitches on Baby Kaede Clothing Company, Home Safe Environmental Testing, Anivac, The Stair Walker, Obbi, Leisure Skates, Coretection, Cold Buddy and Add-vanced bottle system.

Episode 7

The Dragons zero in on a niche market with Prinkaid’s personalized children’s books. Other competitors include the Fried Rokit single-foot skate, Mrakic Gold Holdings, K9 Kamper, underwater timber haulers Bluewater Technologies, Saxx men’s underwear, Aerotag luggage finder, Bend-No-More golf ball placer, Tampac biodegradable tampon bag, Stainless Steel Monuments, Stem Cell Consumer Guide and the Garage Door Sports Screen.

**D0463 DRAGONS' DEN:
BEST OF SEASON 3 VOLUME 1**

Episode 1 – Season Premiere

The Dragons all want part of the action with Kick-Spike, golf shoes with retractable spikes. But will they miss a green opportunity with Pizza Pak reusable pizza tray? Other highlights include: Fit 2 Touch, a couples workout system; Kuli Kuli, a hip movement game; The Litter House, a high-end cat litter cover; Hybrid Backpack; and Softshell Computers, a touch-screen interface for seniors.

Episode 2

The Den heats up when more than one Dragon wants a stake in E-Student, a language tutoring software developed by a teacher. Also featured: Canada Caps, patriotic hats; ePawn online pawn shop; Lipstixx, a top-coat application; AFAST, tanks turned fire-fighting machines; Curling Stones for off-ice curling; Rim Roller, a device which rolls up the rim on coffee cup contests; and Aerial Angels, fire-eating acrobatic street performers.

Studies

**D0464 DRAGONS' DEN:
BEST OF SEASON 3 VOLUME 2**

Episode 6

This time pitches are made for Attitube water-based weight training system by Larry Brun of Windsor, ON; Bottled Intentions by Judy Lapointe of Osoyoos, BC; The Hyboo Camping Trailer by Michel Keighan of Montreal, QC; Teach My Toddler by Christy Cook of Toronto, ON; Powered Clothesline by Dennis Tremblay of Thunder Bay, ON; Poopysak by Patricia Noel of Ville-Marie, QC; and What a Bloom flower retailers by Cesario Ginjo of Toronto, ON.

Episode 12 – The Anatomy of the Pitch

In this special episode, the Dragons dissect the pitch. Learn about the four things a “pitcher” must do to get the Dragons’ attention. Get a behind-the-scenes glimpse of how they make decisions on Dragons’ Den, and finally, the Dragons share what they really think about each other.
