

Privacy Statement

It is the policy of the BGCSB to collect, use, retain and disclose personal information in the course of meeting its statutory duties and responsibilities. The BGCSB is committed to the protection of privacy and complies with all applicable provisions in the Education Act, the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA), the Personal Health Information Protection Act (PHIPA), and any other applicable legislation.

Within the culture of the Bruce Grey Catholic district School Board our goal is to respect and protect the privacy of individuals by providing education and awareness of access, privacy and information management practices.

Personal information is recorded information about an individual that renders that individual identifiable, including: name, address, phone number; race, ethnic origin, or religious or political beliefs or associations; age, sex, sexual orientation, mental status, or family status; any identifying number or symbol; fingerprints, blood type, or inheritable characteristics; medical history; educational, financial, criminal, or employment history; personal views or opinions, except if they are about someone else; or anyone else's opinion about that individual.

A Record is a document, regardless of physical format or characteristics, which memorializes and provides objective evidence of activities performed, events, elapsed, results achieved, or statements made in the course of the organization's daily activities.

Access refers to authority or permission to consult records or to obtain restricted information.

Privacy is the quality or condition of being secluded from the presence or view of others. The state of being free from unsanctioned intrusion: a person's right to privacy.
